

# Krauss Maffei

PEOPLE FOR PLASTICS

VISIT THE "AX" ROADSHOW AT KM UK ON JUNE 30TH and JULY 1ST

Here is your opportunity to view the new **AX** all electric machine from **Krauss Maffei**.

It will be officially launched at KM UK headquarters in Warrington.

A full production cell showing all the benefits of our new, fast, compact, energy efficient design with MC5 control, available with fully integrated robot.

We will also be supported by our four partners, Motan, Hasco, Mattec & Kuka.
